

## ***The Lean Sensei***

### **Go. See. Challenge**

#### **BOOK CLUB QUESTIONS**

1. What does “sensei” mean to you, in your organization and lean program?
2. How is a sensei essential to adopting lean thinking?
3. What are the main knowledge systems a sensei should master?
4. What are the key teaching - and learning – skills a sensei should develop?
5. Where will you find or grow a sensei and how will you work with her or him?

We would like to hear from you about how your book club works, the value to your team learning, and what you plan to read next.
