

## ***The Value Add Accountant***

### BOOK CLUB QUESTIONS

1. As an accountant, what work (i.e. tasks, assignments, projects, etc.) makes you feel valued within your organization?
2. If you are the decision maker, how would you use accounting transaction information to help your company's operation areas identify process improvement opportunities?
3. In your opinion, what support does your company's operation areas need to see the impact of improvements being made?
4. Which area of the organization would you feel most comfortable working directly with in order to learn about the challenges of recognizing the financial outcomes from continuous improvement efforts?
5. What is your work role, and how did reading *The Value Add Accountant* change the way you think about your role?

We would like to hear from you about how your book club works, the value to your team learning, and what you plan to read next.
