About the Lean Enterprise Institute

The Lean Enterprise Institute, Inc. was founded in 1997 by management expert [James P. Womack](#), Ph.D., as a nonprofit research, education, publishing, and conferencing company with a mission to advance lean thinking around the world. We teach courses, hold management seminars, write and publish books and workbooks, and organize public and private conferences. We use the surplus revenues from these activities to conduct research projects and to support other lean initiatives such as the Lean Education Academic Network (www.teachinglean.org) the Lean Global Network (www.leanglobal.org), and the Healthcare Value Leaders Network™ (<http://healthcarevalueleaders.org/>).
