

# Fourth Annual Lean Healthcare Transformation Summit

June 5 – 6, 2013

Pre-Summit Workshops June 4, 2013

Orlando, Florida

## Continuing Education Information

### Who Should Attend

All clinical and professional staff, including physicians, nurses, administrators, senior leaders, managers, and any team or individual with an interest in organizational change

### Purpose

This educational program will provide opportunities for:

- Learning the latest best practices from leaders in the lean healthcare movement
- Networking with others using lean
- Using lean thinking to improve value to the patient

### Overall Objectives

At the end of this educational program, participants should be able to:

- Explore how innovative experiments are increasing healthcare value by transforming care delivery and payment systems
- Examine how consumers and employers are driving a healthcare value focus by demanding transparency of cost and quality data
- Employ practical strategies for lean transformation as illustrated by pioneers in the Healthcare Value Network
- Discuss new paradigms for healthcare delivery, payment and transparency
- Expand support for lean transformation through facilitated networking

### Speakers

A complete session and speaker listing can be found at:
